

Free-Roaming Cat Application

Please use for farm/barn/stray or feral cats

Part 1—The Cats

Approximately how many intact (not ‘fixed’) cats are there at this location? _____

Of this number, how many are:

Female _____ Male _____ Unknown Gender _____

How many of these cats less than 10 weeks of age? _____

How many are indoor cats? _____ Outdoor cats? _____ In and out? _____

How many are feral (un-socialized/wild) and will need to be trapped? _____

Do you have traps? _____ Do you need to borrow some from Operation SAFE? _____

Will you need help trapping &/or transporting the cats? _____

Are **any** of these cats up to date on their vaccinations? No Yes

Besides these cats, how many unaltered (not “fixed”) animals do you have?

Cats _____ Dogs _____

Would you like to have them spayed or neutered too? _____

All outdoor cats will be ear tipped—the universal sign for a cat who has already been neutered.

Part 2—You

Your Name: _____ Phone: () _____

Address: _____ Email: _____

City: _____ Zip Code: _____

Are you currently receiving any government assistance? Please check any/all boxes that apply but note that this is not a requirement for services in our program:

Food Stamps Medicaid Section 8 Housing Supplemental Security Income (SSI)

Aid to Families with Dependent Children (AFDC) Retired Unemployed Other

Do you have a current veterinarian? _____; Are they willing to help with this problem? _____

How did you hear about Operation S.A.F.E.? _____

Fees for Surgery

Because we rely on volunteers, our price is extremely low - just \$40.00 per cat, and includes vaccinations. We understand, however, that if you have many cats, you may not be able to pay this amount. It is our goal to spay/neuter as many cats as we can with our donated funds, so we ask you for a co-payment. Please keep in mind that the more you can pay per cat, the more people and cats we can help.

If you cannot pay the standard rate, how much of a co-payment can
you make per cat? \$ _____

A deposit of \$50.00
(which is applied to your total cost)
is required to schedule an appointment.

Instructions

- Send the application and payment for the deposit to:
Operation S.A.F.E.
P.O. Box 266
Dunlap, IL 61525
- Someone from the organization will contact you to schedule a date.
- If we are not able to meet your needs, your \$50.00 deposit will be refunded.

Questions? Call us at 309/453-8767

Email: opsafepeoria@aol.com
www.operationsafe.org

Depending on the number of cats you have and the location, we may bring
our mobile spay/neuter trailer to you!

PLEASE READ CAREFULLY

The deposit of \$50.00 will be applied to the total surgery cost. Payment in full is required the day of surgery. Once the surgery date is scheduled, the deposit becomes non-refundable for "change of mind". I understand that under vaccinated animals are at greater risk of surgical complications, that occasionally care is needed after surgical procedures, and that Operation S.A.F.E. is not responsible for these charges.
